

MAY 13 1968

May 8-1968

A few years ago
our family stopped in
Sonoma during your
wine festival. They were
just starting to bless the
grapes at the Mission
when we arrived. We
stayed & spent the day.

We enjoyed it so much,
we would like to attend
your festival again. Would
you let us know if you
are having one this year
and what the date will
be.

Thanking you,

Mrs. F.W. Ballist
